Important Health Warning: Photosensitive Seizures

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people with no history of seizures or epilepsy may have an undiagnosed condition that can cause “photosensitive epileptic seizures” while watching video games. Symptoms can include light-headedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, momentary loss of awareness, and loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects. **Immediately stop playing and consult a doctor if you experience any of these symptoms.** Parents, watch for or ask children about these symptoms—children and teenagers are more likely to experience these seizures. The risk may be reduced by being farther from the screen; using a smaller screen; playing in a well-lit room, and not playing when drowsy or fatigued. If you or any relatives have a history of seizures or epilepsy, consult a doctor before playing.

SAN ANDREAS is one of the country’s most diverse visitor destinations, known for its huge size and incredible variety. Although justly celebrated for its 3 wildly different main cities each with its own style and attractions to offer - Los Santos with its celebrity and sprawling ghettos, San Fierro with its eclectic artist community, and Las Venturas with the glitz and glamour of casinos - it has so much more beyond that; such as mountains, ghost towns, dense forests and hot, dry deserts. Take time to visit the whole state and support local businesses.

**AIRPORTS**

Need to put some distance between you and your associates? The fastest way out of town is by plane from your nearest airport. There are 3 airports in the San Andreas area, don’t expect them to take air miles.

**LOS SANTOS AIRPORT**
LSX is now the fourth busiest airport in the world. The airport is made up of five gates that are connected by a U-shaped two-level main terminal.

**SAN FIERRO AIRPORT**
This airport is bounded by the San Fierro Bay and provides a spectacular aerial view of the Gant Bridge as you take off.

**LAS VENTURAS AIRPORT**
Literally minutes away from the Las Venturas strip, you won’t have to wait long to try your hand at the tables.

If you spend enough time on the streets of San Andreas, sooner or later you are going to wake up in a hospital! Check out the map to find the one closest to where you are.

If there isn’t a neighbourhood in the entire state of San Andreas that we would categorize as ‘safe,’ so we recommend carrying a weapon at all times. Actually 2 is better. Visit the local Ammu-Nation superstore (see map for details) soon after arrival for firearm supplies.
San Andreas is the epitome of consumer society; there’s always something new to buy, spending money feels good, you need to spend money to look good and having the latest gear can be pretty important to those around you. Just remember though money isn’t everything and some things like respect, can only be earned, not bought. The following credit cards are well reputed throughout the state but generally most people prefer cash.

**SHOPPING**

So many shops so little time. Whether it’s the luxury brands like Didier Sachs found in the exclusive stores of Rodeo Drive or a cheap and cheerful no-brand sweatshirt from Binco that you are after, San Andreas has something for everyone, just bring your wallet. Packed with major name brand stores, huge malls and boutique stores, San Andreas is a shopper’s paradise.

* See Map for details.
Las Venturas is the gambling centre of the country. World-class gambling houses and hotels are plentiful here. A must-visit on any trip!

**DISCLAIMER:** If you’re still a little new to the game, it’ll take some time to build up the skills to play at the high-roller level. Practice hand selection, while any hand can win, the smart gambler plays hands that have good odds to win. And never forget about Lady Luck. Holding onto a lucky charm like a horseshoe should help you win more often.

**Visit Caligula’s Casino and indulge yourself in our luxurious suites and the best gaming facility Las Venturas has to offer.**

**Clown around if you wanna, you just might get lucky**

Need a new haircut to go with a new outfit or for a special night out, or just want to impress? The San Andreas inhabitants are big on hair and pride themselves on the quality of their local barber. Recces in Los Santos and Gay Gordo’s Bouffant Boutique in San Fierro both come highly recommended.

EATING OUT

The real home of fast food, San Andreas is a Mecca for any fan of burgers, fries, wings, pizza, if it’s fast and greasy, it’s here and it’s deluxe. If you plan on staying any amount of time in San Andreas you’ll probably need to start watching what you eat or you may need to make a trip back to the mall for the next size up! Wash it all down with a tasty can of Sprunk! Available from all major fast food chains and vending machines throughout the state.
